Vietnamese mid-autumn celebrations

Changing of environment during celebrations

During celebrations outdoor appear many different decorations

Streets illuminated by Vietnamese lamps, on houses hang many different sign of celebration, and in general everything gets its charm

How Vietnamese celebrate their holiday

Presents and food

Before and during holiday Vietnamese start to present to each other money, fruits(such as apples or pears that isn't local fruits of this region), and traditional dish - mooncake, that looks like a jelly pie, with some ornament

On my taste, they're absolutely tasteless
